ISO 9001:2015

Technical advice

- Material selection
- Design of the components
- Quotation preparation

Prototypes

- Tool-free prototypes (laser or water jet cut)

Programme and tool creation

- In-house toolmaking
- More than 50 years of expertise
- Precise, high-quality tools with a long service life

Series production with initial sampling

- Series production with economical manufacturing technologies
- Sampling according to VDA Volume 2 and PPAP

Logistics

- Customised delivery solutions and parts handling
- Connection to IT systems
