Company profile

- ✓ Certified according to DIN EN ISO 9001:2015
- ✓ Specialized in the production and machining of machined parts
- ✓ Production is carried out on modern machining centers, which guarantee consistently high quality
- ✓ Short-term as well as long-term investments can be made

Flexible

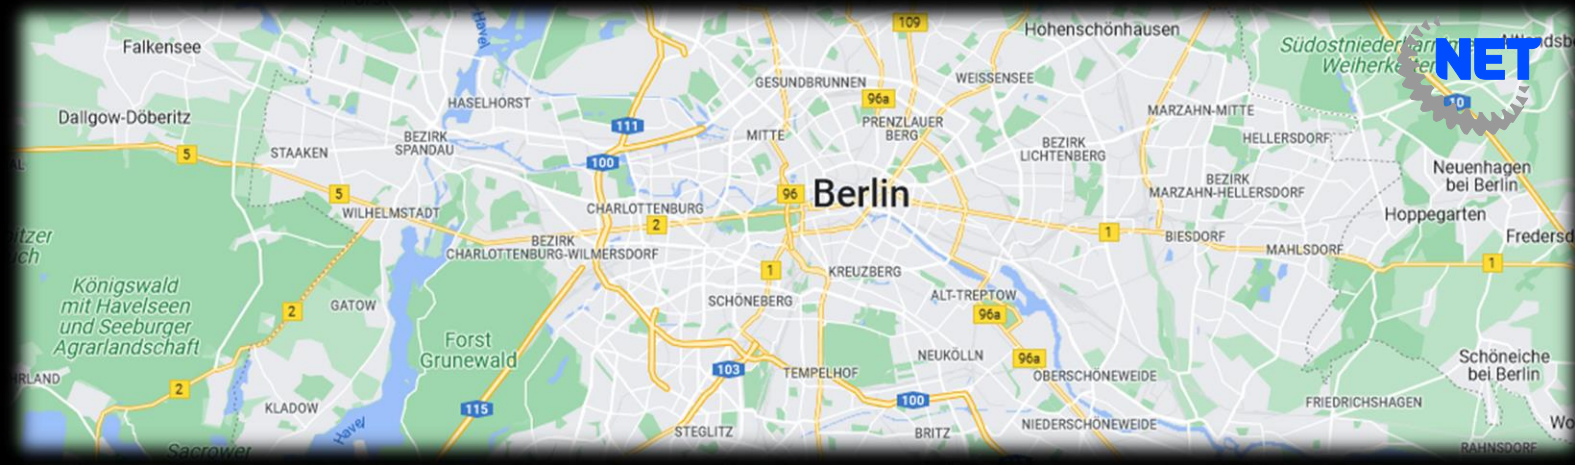
Fast and on time delivery

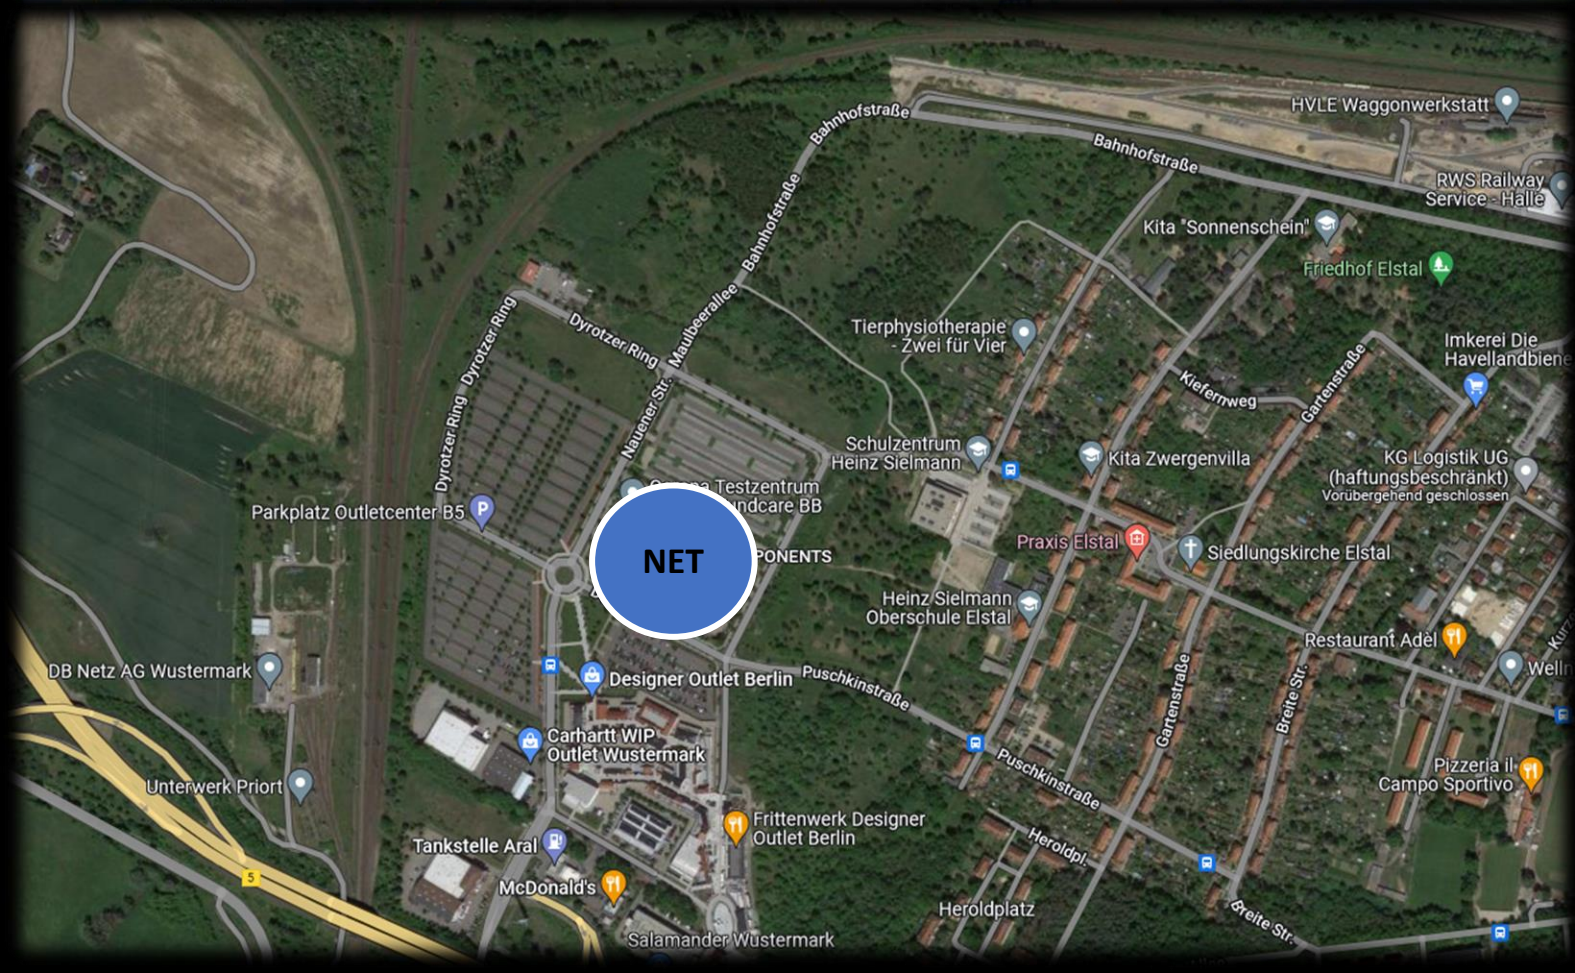
Quality for 20 years

Service

Location
Wustermark / Germany

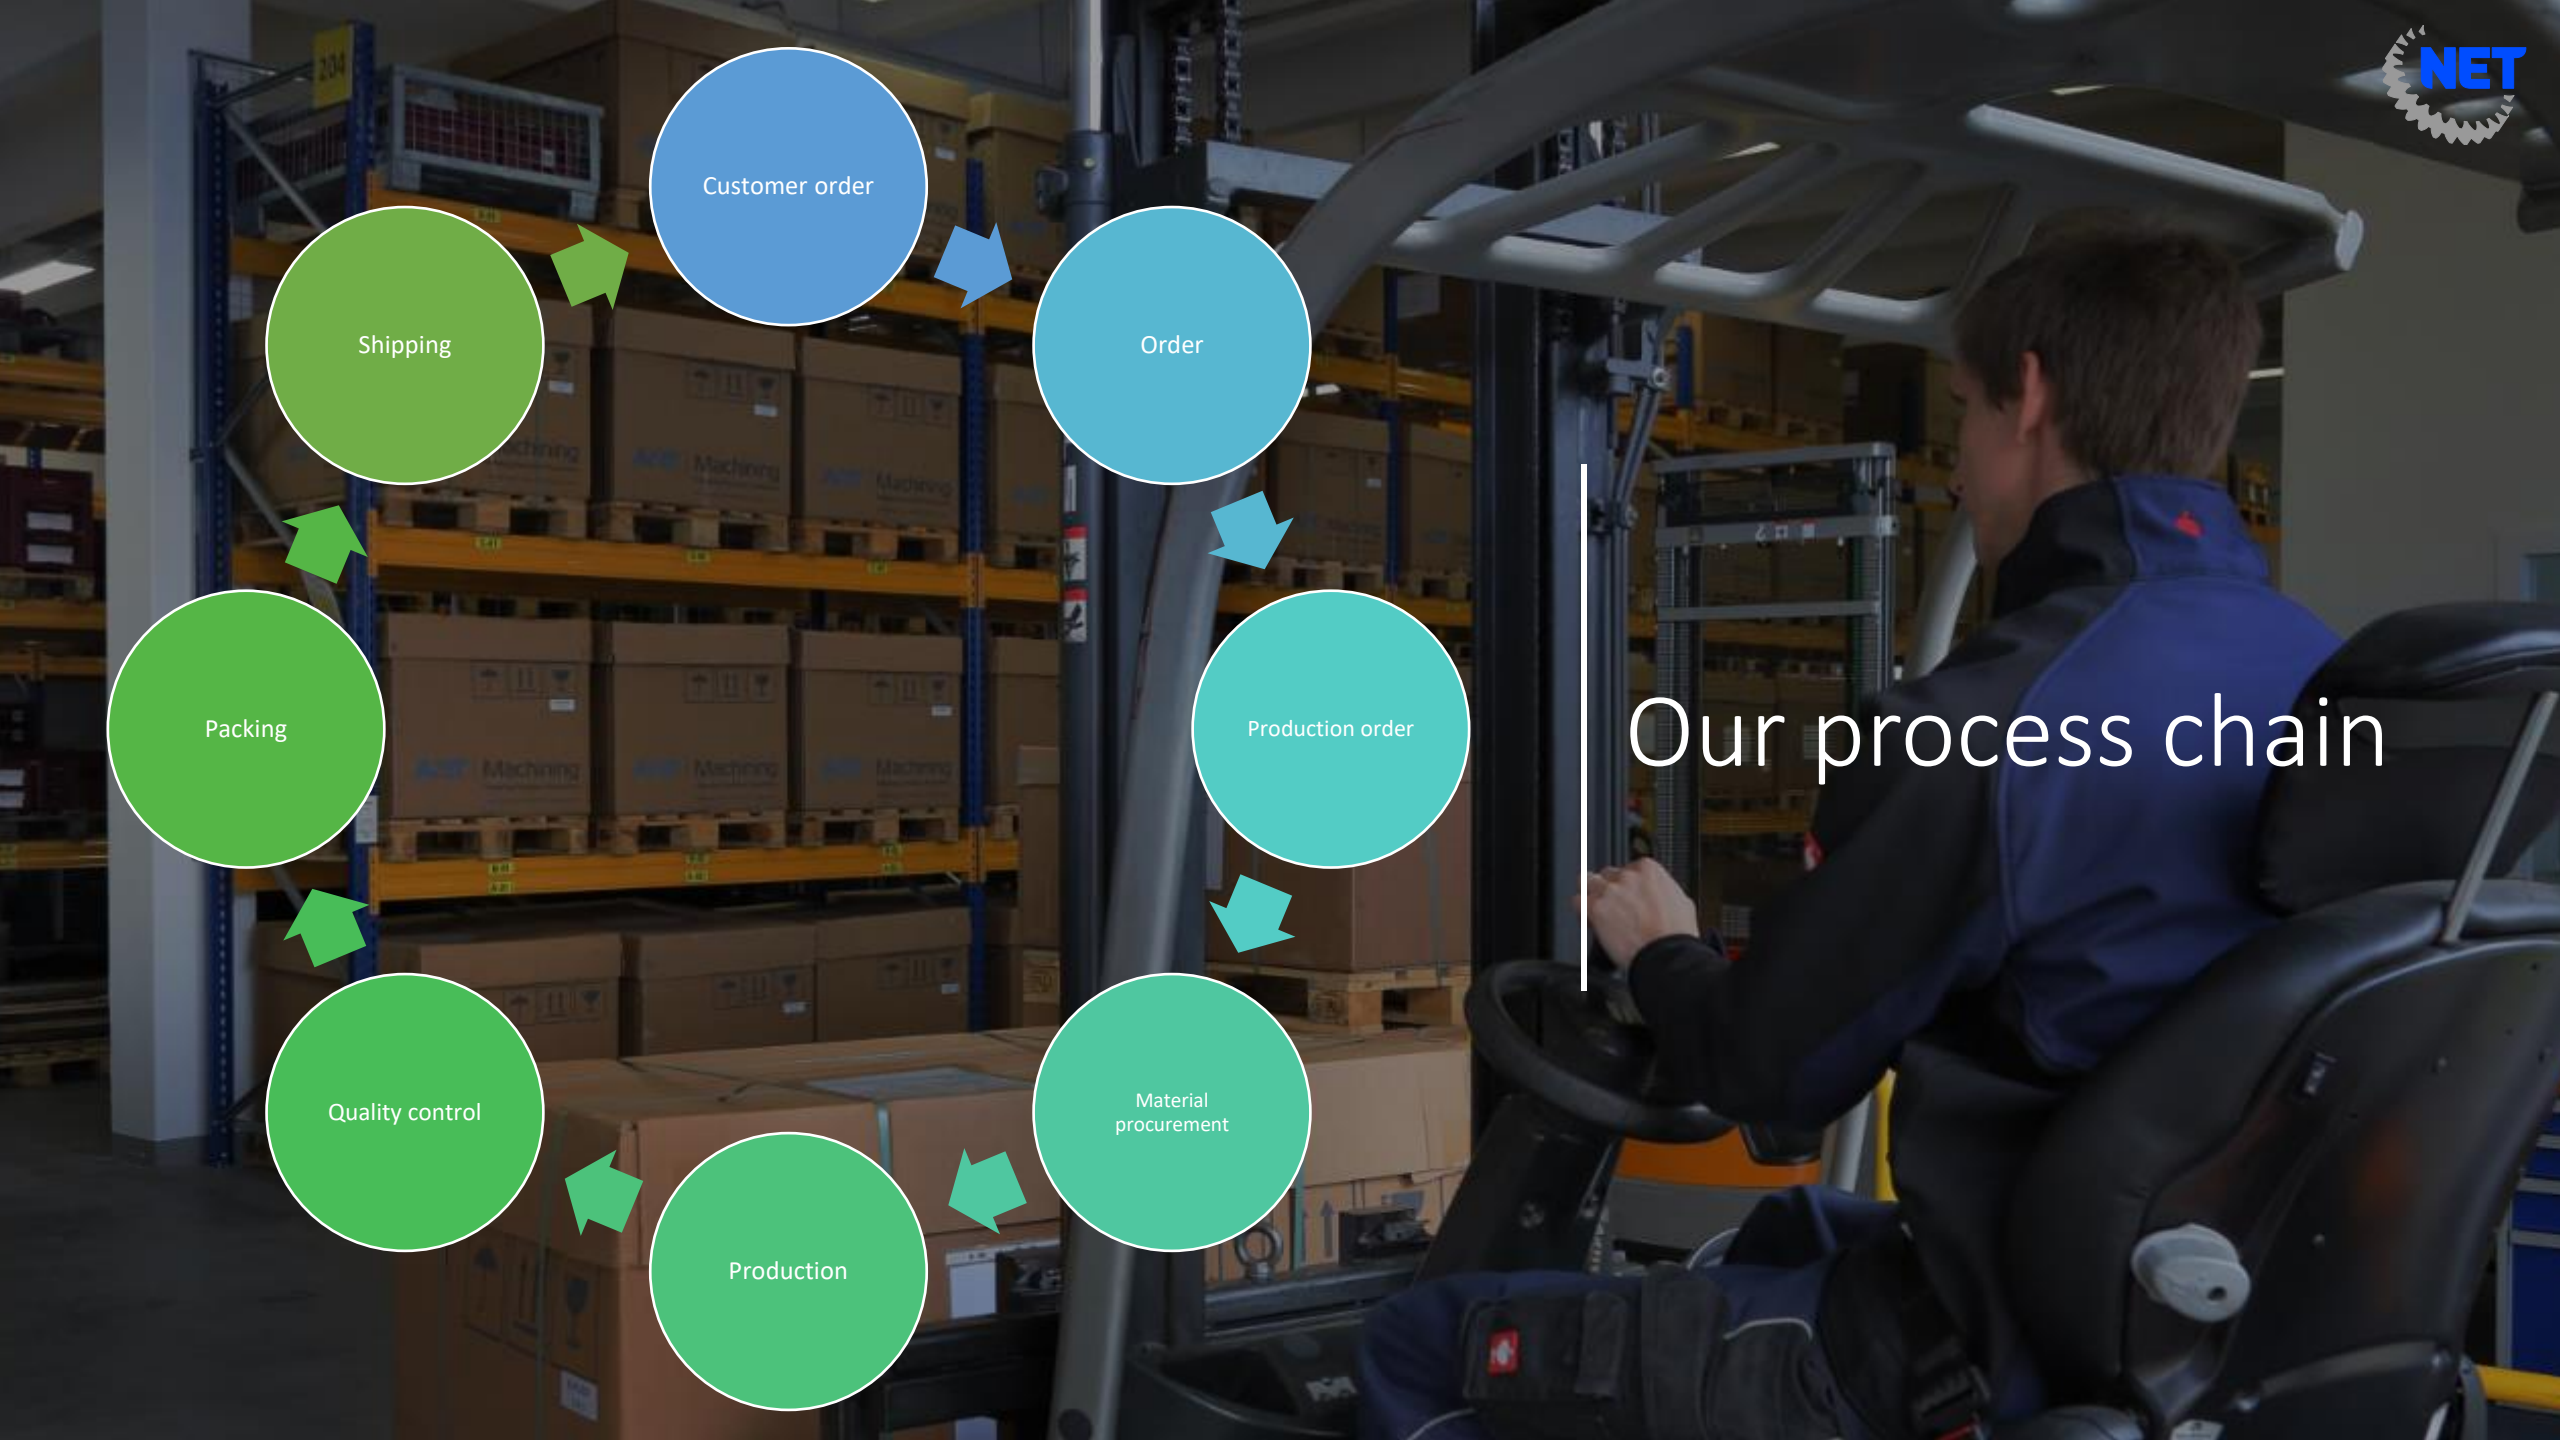
NET-Components GmbH
Demex-Allee 1
14641 Wustermark
Germany





Our values

- ✓ Quality
- ✓ Sustainability
- ✓ Customer friendliness
- ✓ Reliability
- ✓ Innovation
- ✓ Ethics
- ✓ Corporate culture



Our process chain

Our sampling process

- SAP RFQ
- AP(M0P0) work plan
- PA production order
- NX Siemens CAD CAM
- Sample production
- Quality release
- Set up directory
- DNC Server save program

Products

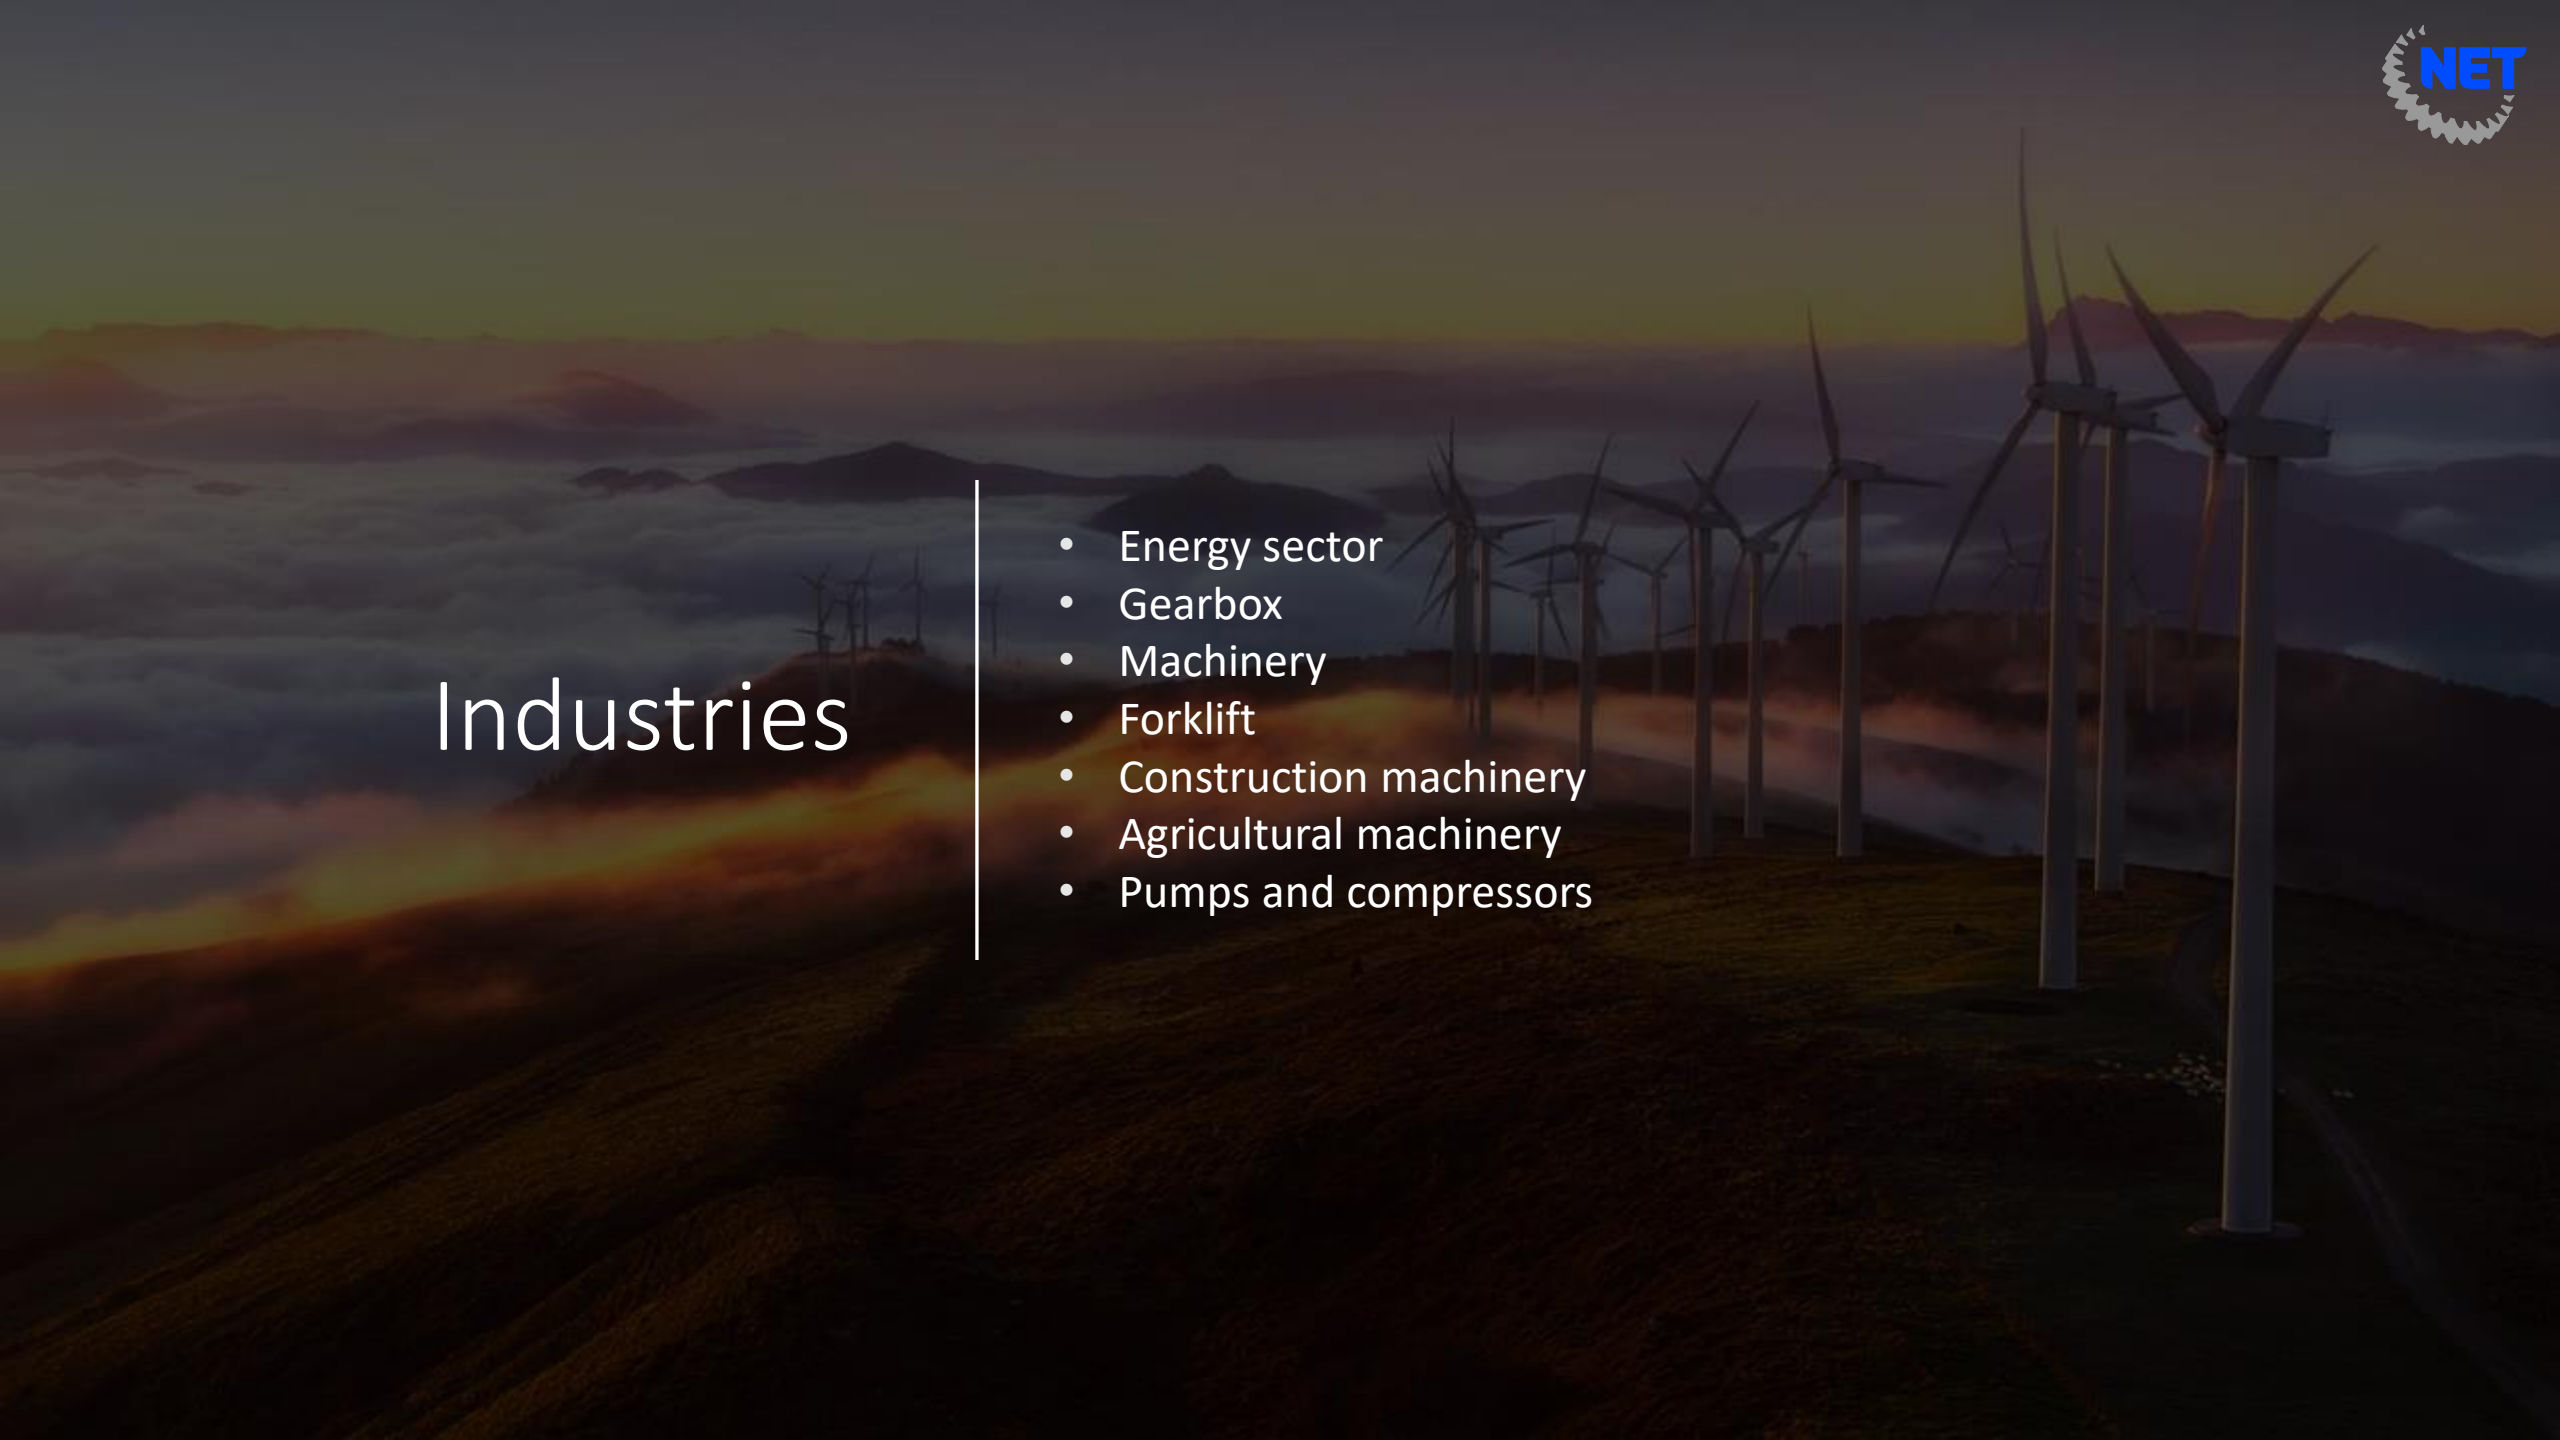
- ✓ Turning parts
- ✓ Milling parts
- ✓ Casting parts
- ✓ Forging parts
- ✓ Special machining
- ✓ Assembly

Products

Products

Products

Products



Industries

- Energy sector
- Gearbox
- Machinery
- Forklift
- Construction machinery
- Agricultural machinery
- Pumps and compressors

Vendor Managed Inventory (VMI)

- SupplyOn
- Production planning based on forecast figures
- Inventory management
- Compliance with min./max. stock limits

Just-In-Time

- Business partner access to SAP
- Storage in defined packaging units
- Quality controls according to customer inspection specifications
- Call-offs based on a loading list
- Parts are transferred with the loading list
