Project Methodology

- **33** Years Plastic Enjection Mold Expertise
- **Key Industries** : Automotive, Electronic, White Goods, Medical, Personal Care
- **High Precision** Molds
- **Trusted** Project Methodology
- **Solution driven** trusted end-to-end lifecycle partner
- **1500+** Mold success story
- **Efficient Partner** much valued by our customers
- **Secure and confidential** tooling tests in house
- **Service** – fast, competent and global
- **1600 m²** Total closed produciton area

Mold Experiences

- Prototype Mold
- Standart Mold
- Inverse Mold
- Heat&Cool Mold
- Interchangeable Mold
- Overmolding
- Unscrew Mold.

Polymer Experiences

- PA with Glass Fiber
- PP with Glass Fiber
- PC, PMMA
- PPS
- ASA, ABS, PC-ABS
- POM
- PBT, with Glass Fiber
- PP EPM TD
- HIPS
- TEFLON PFA HPLUS
