

Products & Services presentation

Overview

- **FOUNDED** 2005
- **LOCATION** Slovakia / Oravská Polhora
- **PRODUCTS**
 - Precision components & assemblies
 - Metrology & fixing gages
 - Automatic workstation & production line
 - Mould & cutting tools
- **CERTIFICATION**
 - QMS EN ISO 9001:2008
 - EMS EN ISO 14001:2004
- **TURNOVER**
 - 2022 / 3.0 mil. EUR
 - 2021 / 2.4 mil. EUR

Products / Potential Cooperation

◀ YANFENG, BOURBON, CONTINENTAL, SCHAEFFLER, MAHLE, ...

◀ YANFENG, HELLA Lighting, ZKW Group, MAHLE, ...

◀ YANFENG, HELLA Lighting, ZKW Group, EUROSTYLE, MAHLE, ...

◀ HONEYWEL, SPECAC, HERN, HASCO, CONTINENTAL, MAHLE, MEOPTA, ...

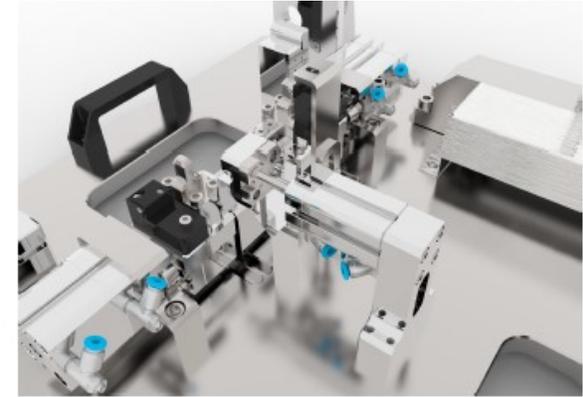

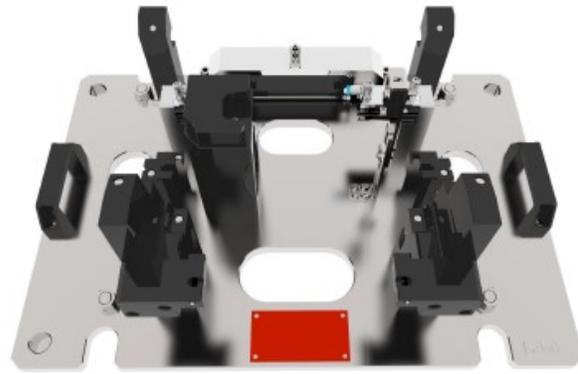

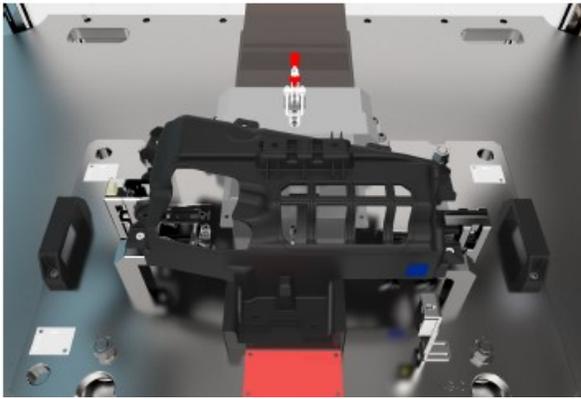

High precision components & Services

- 5-Axis Milling / HERMLE C42, HERMLE C400, DMU50 - capacity per month 1000 hours/
- 3-Axis Milling / VCE1200PRO, MAS, VCE - capacity per month 1000 hours /
- 7-Axis Turn&Mill / MIYANO BNA42MSY - capacity per month 400 hours /
- 4-Axis Turn&Mill / CTX800, NLX700 - capacity per month 400 hours /
- 4-Axis EDM CUT / Cut20P - capacity per month 300 hours /
- 4-Axis EDM die SINKING / Exeron313 - capacity per month 300 hours /
- CNC surface & profile grinding / Ziersch Z35 - capacity per month 300 hours /
- CNC cylindrical & profile grinding / Ziersch ZR1000 - capacity per month 300 hours /
- 5-Axis CMM / Hexagon Pioneer - capacity per month 300 hours /

Industrial fixtures & measurement gages

- Fixture / assembly, welding, milling, hydraulic, pneumatic, etc., CAD design - capacity per month 1000 hours /

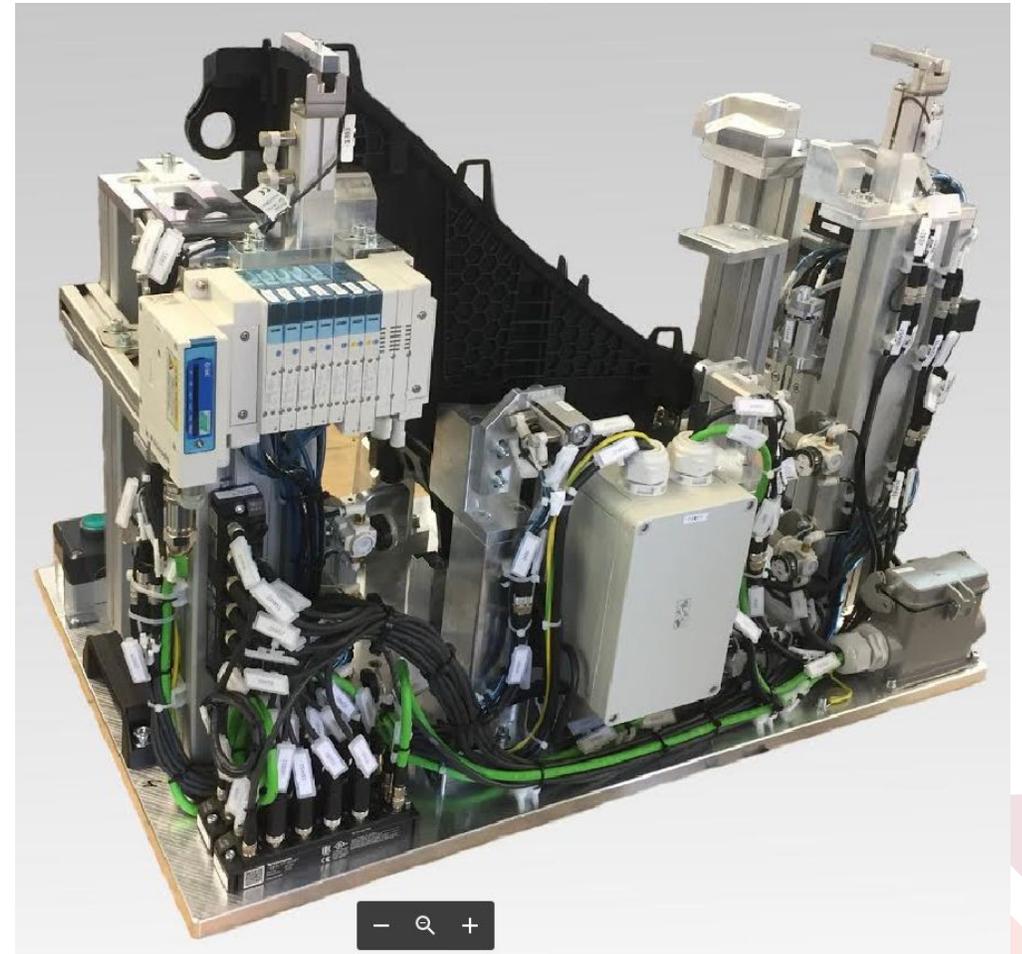

- Gages / CAD design - capacity per month 1000 hours /

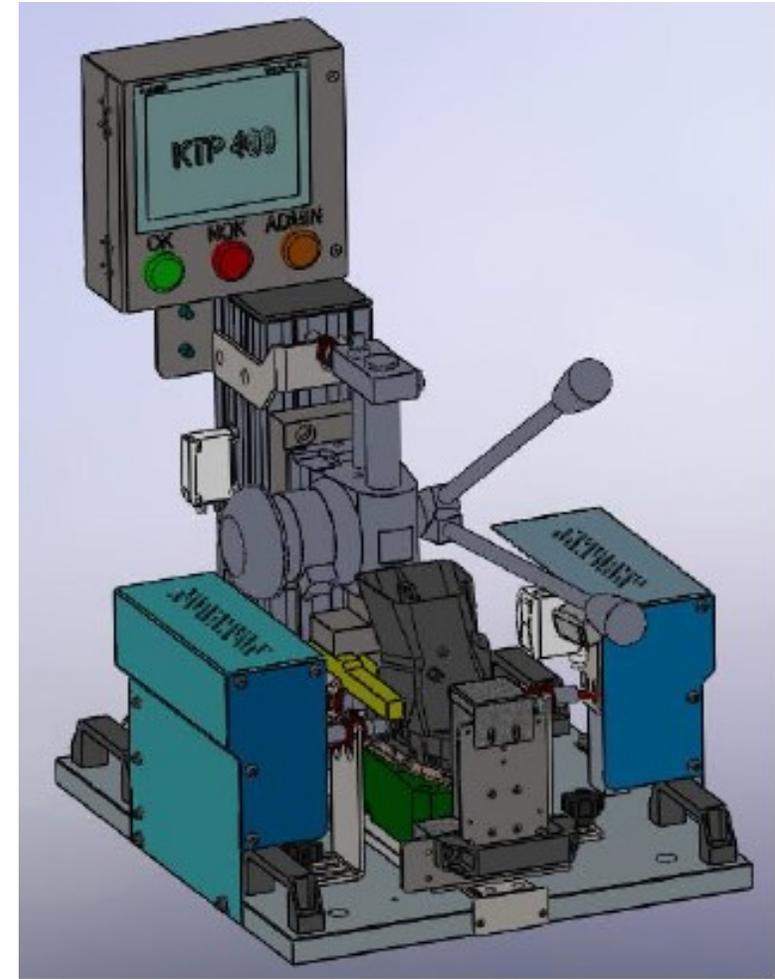

Industrial devices & automatization

- Automated Systems / assembly & production lines, etc /

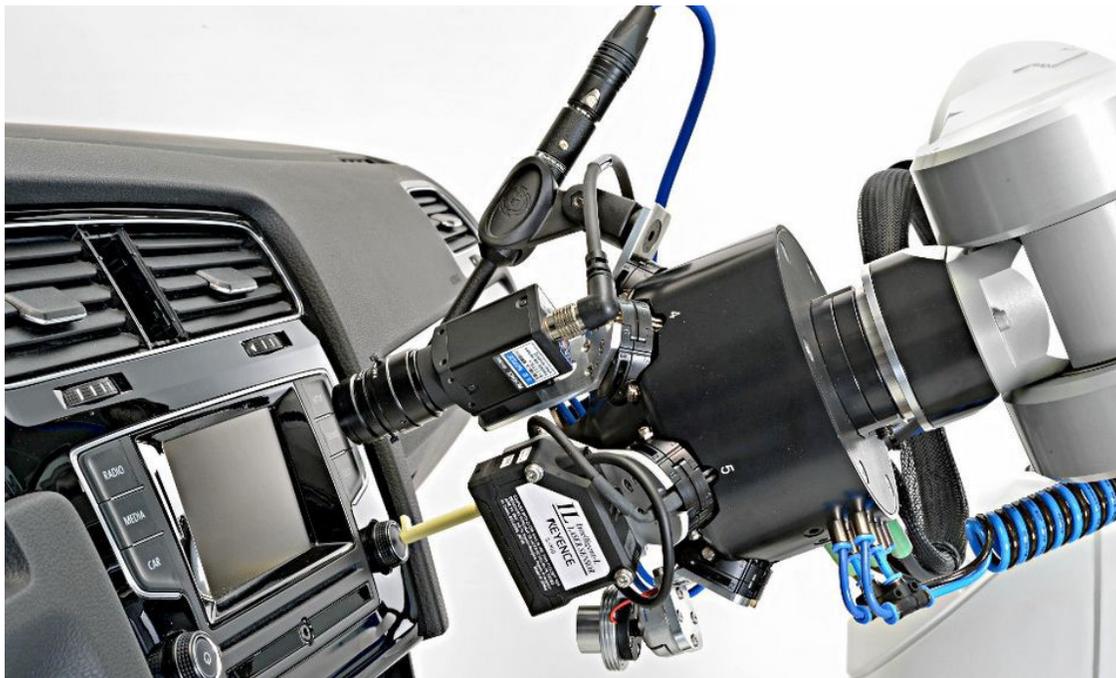

Industrial devices & automatization

- Single Purpose Devices / inspection, measurement, adjustment and specialized systems /

Industrial devices & automatization

- Robotic Sell and Workstation / measurement, welding, handling & paletizing, grinding, etc. /

Thank you for your attention!
