

United Springs

PRECISION RAIL COMPONENTS

For both large-scale mass-production and small volume, hand-coiled pieces, United Springs specialise in the manufacture of a wide variety of rail fixtures.

From circuit breakers and switchgear to bogies and braking, every bespoke spring is produced to exceptional levels of quality, cultivated through decades of experience.

In an ever-evolving marketplace, we enjoy a partnership with many of the biggest names in the rail industry, to design and develop new innovations and cater for our customer's needs.
