

COMPANY presentation

The company BG CNC PRO is a dynamic and innovative company which offers CNC cutting services using four new CNC milling machines HAAS and one new CNC turning machine **DOOSAN**.

WHAT WE CAN OFFER:

- CNC precision milling+turning parts (we always respect the lead time)
- consultancy
- qualified staff (with experience)
- personalized offer, depending on the material requested by the client
- competitive price

CLIENTS & SUPPLIERS:

We are a young company with a remarkable route, which proves our collaboration with clients such as:

ULMA Packaging; **ECKERLE** Automative;
BIELOMATIK; **RING** Hermanstadt etc.

Because we want to offer quality parts, we Choose suppliers like: **GASKET**;
ITALINOX; **KUERYO STEEL**; **COLOR METAL** etc.

One of the **objectives for 2019** (objective ongoing) is to expand on the European market.

EQUIPMENTS

HAAS VF2: 2 pcs

- Vertical CNC machining center 30''x16''x20''
- 3 axes: X, Y,Z
- The work course: X: 762mm, Y: 406mm, Z: 508mm
- Table dimensions: 914x356mm

HAAS VF3: 1 pc

- Vertical CNC machining center 40''x20''x25''
- 3 axes: X, Y,Z
- The work course : X: 1016mm, Y: 508mm, Z: 635mm
- Table dimensions : 1219x457mm

EQUIPMENTS

HAAS VF2SS: 1 pc

- Vertical CNC machining center 30''x16''x20''
- 4 axes: X, Y, Z plus ax A
- The work course: X: 762mm, Y: 406mm, Z: 508mm
- Table dimensions: 914x356mm

DOOSAN LYNX 2100LMA : 1 pc

- Turning machine with 2 axes and supplementary axis C with rotary tools
- Maximum turning length: 510mm
- Maximum turning diameter : 300mm

EQUIPMENTS

ARG 330 Automatic Cutting Machine

	90°		400V/ 5,6kW
●	330		15-90 m/min
■	310		3.870x34x1,1 mm
■	360x310		1.320 Kg
	Hydraulic		

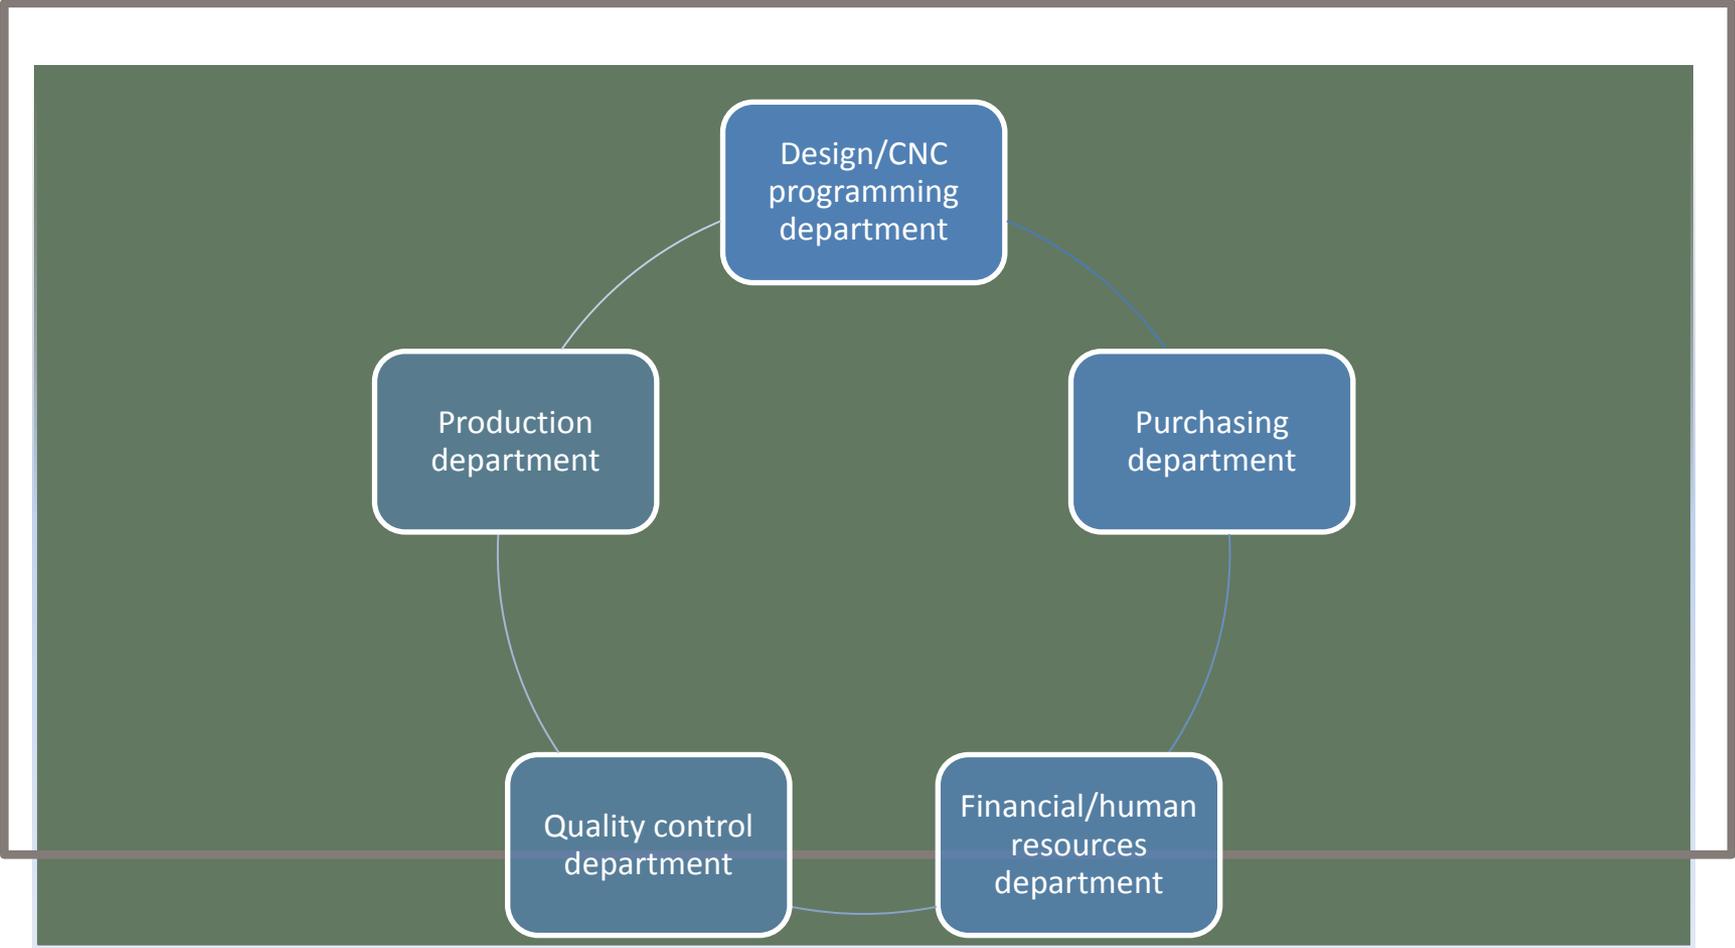

XTM 254I Synergic MIG Inverter

- 400V Three Phase
- 250A @ 60% Duty Cycle
- 4 roll drive
- Holds 15kg wire spools
- Wire size: 0.8-1.2mm

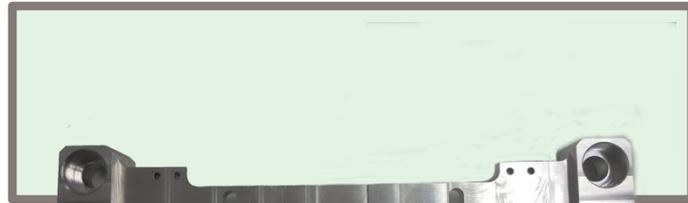

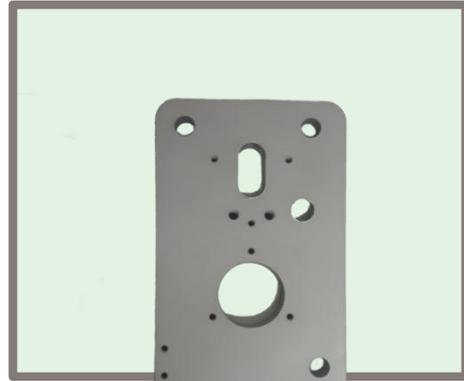

COMPANY CAPACITY

- CAD CAM design: 1000 hours/month
- Cutting raw material: 700 hours/month
- Milling: 1400 hours/month
- Turning: 350 hours/month
- MIG MAG welding: 170 hours/month

COMPANY STRUCTURE

CNC machining parts

B-dul Muncii no. 12, Cluj-Napoca, jud. **Cluj**, Romania, 400641
