

CERTIFICATE

of conformity of the factory production control
No. 2435-CPR-398327

In compliance with Regulation (EU) No 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR) this certificate applies to the construction product:

Production of steel structures.

Execution class: **EXC2**

CE marking methods: **Metodo 3a**

Area and extent of use: **Production of steel structures.**

Welding processes: **written down in the final report no. 398327**

Groups of basic materials: **written down in the final report no. 398327**

Authorized employees of supervision: **written down in the final report no. 398327**

produced by or for

Caspe srl

Via Piemonte, 2 20874 Busnago (MB), Italy

and produced in the manufacturing plant

Caspe srl

Via Piemonte, 2 20874 Busnago (MB), Italy

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1090-1:2009 + A1:2011

under the system 2+ for the performances set out in the certificate are applied and that

the factory production control fulfills all the prescribed requirements set out above.

This certificate was first issued on **2nd November 2018** and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the factory production control certification body. The validity of the certificate is subject to regular surveillance audits confirming compliance with the FPC requirements. The first certificate date of issue is 11th February 2016.
