## INTRODUCTION

STEIGLER TECH OPENED IT'S DOORS IN 2021 AS A FAMILY BUSINESS. EVEN WITHIN THE FAMILY, THE PROFESSION HAS A PAST OF MORE THAN TEN YEARS, BECAUSE MY FATHER WAS EVEN A CUTTING INSTRUCTOR AT THE BAKONY WORKS IN THE 70'S - 80'S.

ONE OF THE MOTIVATIONS FOR STARTING STEIGLER TECH IS TO NOT JUST OWN THE INTELLECTUAL HERITAGE, BUT TO DEMONSTRATE AND BUILD IT FOR THE NEXT GENERATION.
