About us

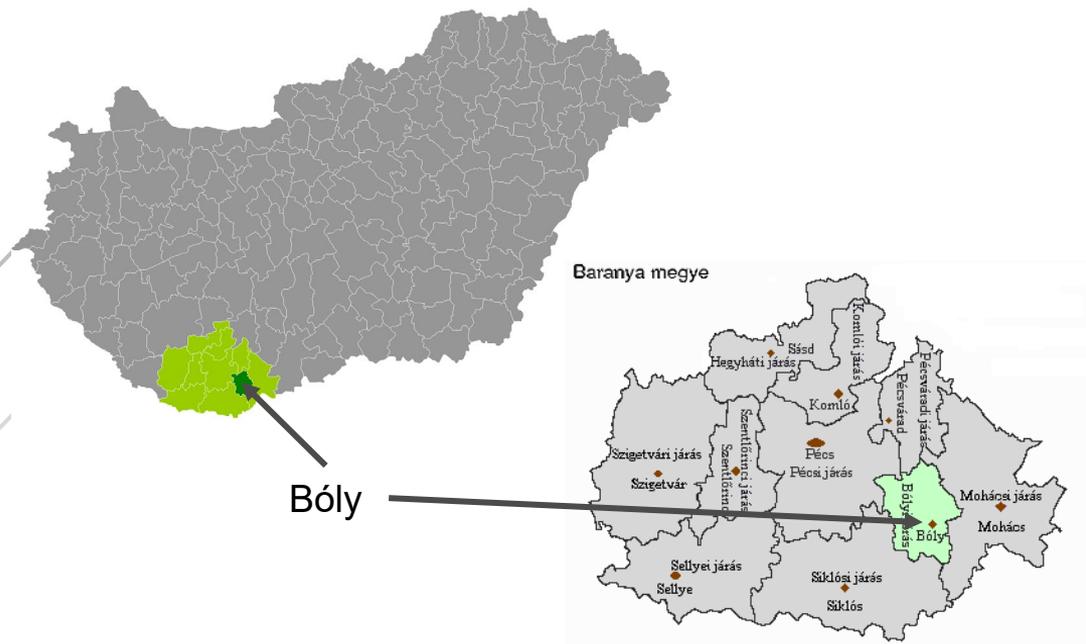

Who are we,
where are we

Who are we

- Hubi Metal Industry is a family business and we have been working together since 2011.
- The company was founded in 2022, but in the previous periods we gained several years of experience in many areas, including custom manufacturing and target machine design.
- We also pride ourselves on our extensive knowledge of the automotive industry.
- We also understand the fields of electronics, railways, tobacco industry, food industry and metal industry.

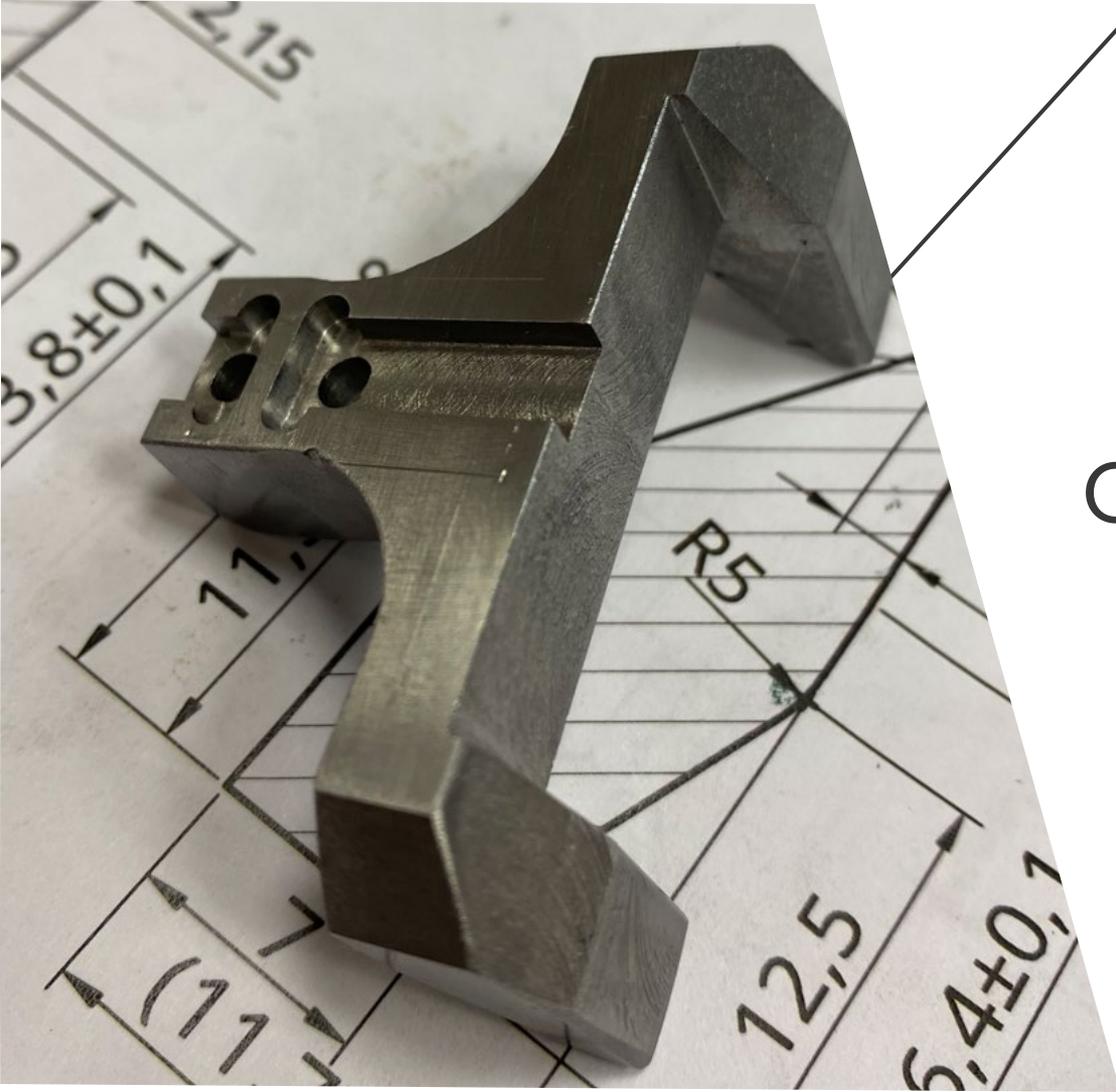

Where are we

Our workshop:

02.

Competencies

Production, design,
implementation

- Machining, parts production
- Project management
- Mechanic, electrical design, programming
- Mechanical and electrical implementation
- Installation, commissioning, maintenance

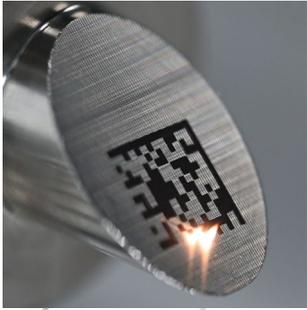

03.

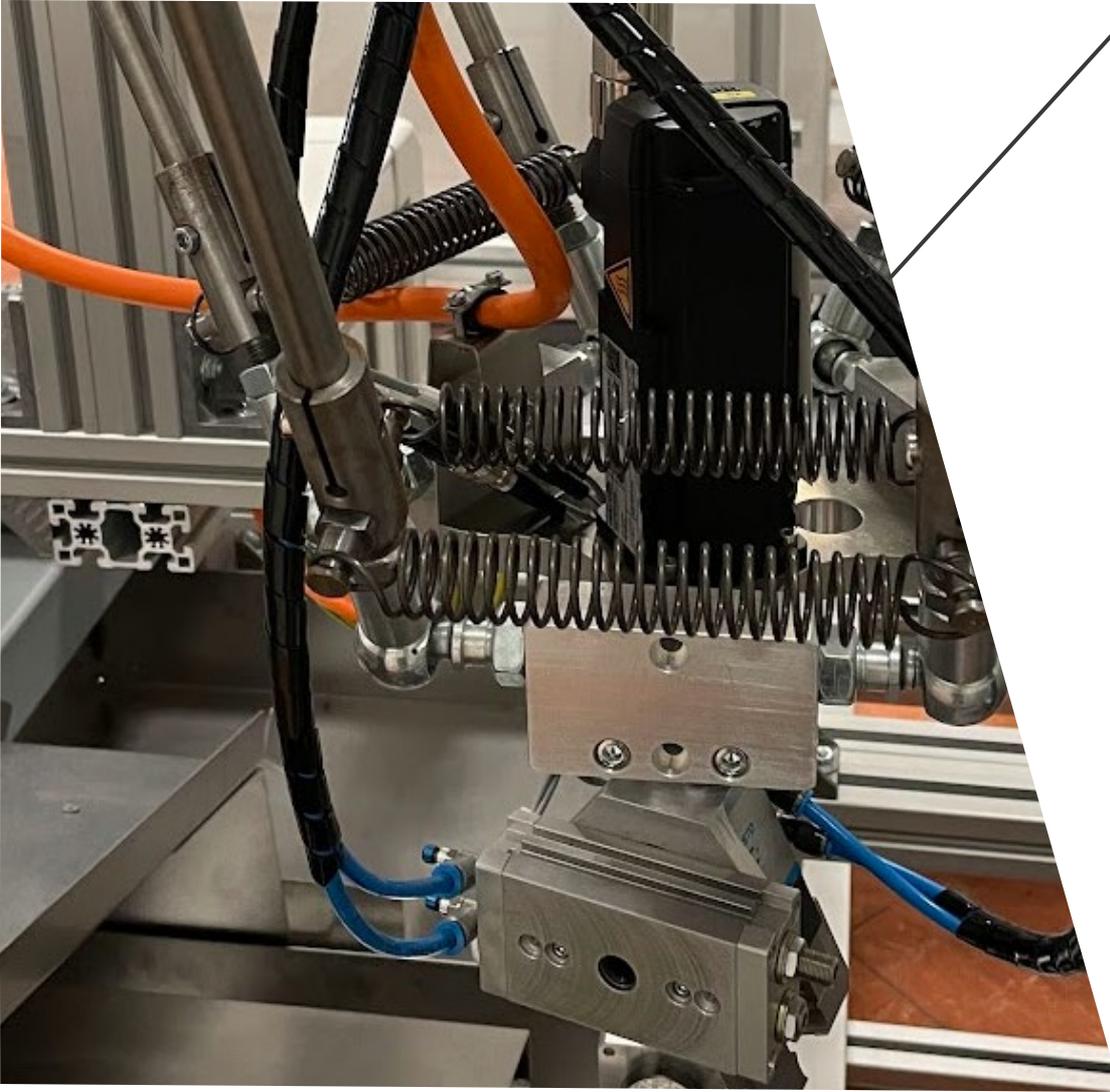

Technologies

Serial production,
automation

- Automation, robotization, custom machine construction
- Welding, pressing, injection molding
- Electrical and camera inspection
- Printing, marking
- Additive manufacturing

04.

Projects

Custom machine building

Our Team

Our team of 12 people:

- Component manufacturing, CNC: 2 people
- Sales and project management: 2 people
- Mechanical designs: 2 people
- Electrical designs: 2 people
- Programming: 2 people
- HR, finance, marketing: 1 person
- Assembly, wiring: 1 person

Our supplier partners:

Pneumatics:

- Festo, SMC, Schunk

Control technology:

- Siemens, Weidmüller, Omron, Eaton

Sensor technology:

- Turck, Banner, Keyence, Balluff

Cameras and code readers:

- Keyence, Cognex

Other:

- Yaskawa, Kistler
