# WHO WE ARE

- We are a family company with many years of experience in mechanical engineering
- In 2021, we transformed my father's afternoon craft into a company PLASTOSTEEL d.o.o.
- In 2022, we moved from our home workshop to new premises
- There are currently 5 people employed in the company
- Our team consists of a group of young individuals for whom mechanical engineering is both a joy and a challenge

# WHAT WE OFFER

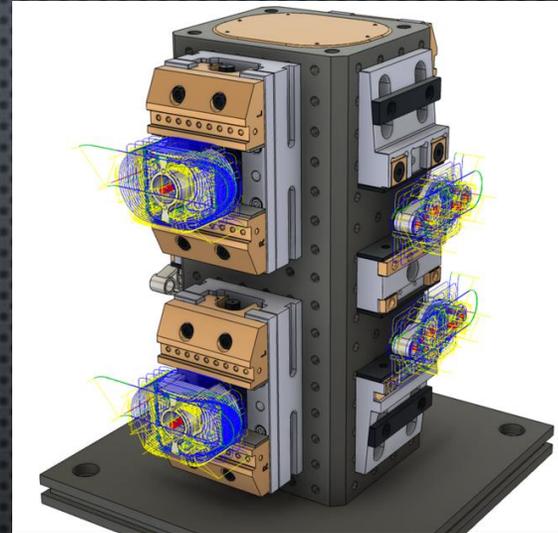

- Mechanical processing
  - Milling (5x CNC milling center 1100x600x600; 1x CNC bohrwerk 1300x800x500)
  - Turning (3x CNC lathe  $\varnothing$ 440x1800, Lathe  $\varnothing$ 700x3000)
  - Grinding (Round  $\varnothing$ 240x700)
- Welding (MIG, TIG)
- Thermal treatment (Tempering, Burnishing, Nitriding,...)
- Painting (Wet, Powder,...)
- Engineering (Designing machines, devices, transport lines, preparations,...)
- Assembly

# WHY WORK WITH US

- Speed
- Quality
- Flexibility
- Good prices
- Responsiveness
- All in one place
