Internal authority to re-authenticate materials in the factory

TÜV-EN 10204-2400-B-320

Product	The certificate holder has demonstrated that it has a functioning traceability of internal re-authentication of materials via procedures and traceability to original inspection documents.
Certificate holder	**Machinefabriek en Constructiebedrijf Steinbusch B.V.** **Sourethweg 5R** **6422 PC Heerlen** **The Netherlands**
Employees eligible for re-authentication of materials	Dhr. J.N.L.M. Thelen Stamp ID No. 1 Dhr L.J.M. Steinbusch Stamp ID No. 2 Dhr. J.H.M. Notermans Stamp ID No. 3
Conformity	Management and re-authentication of inspection documents and material with internal re-authentication procedure with type 2.1, 2.2, 3.1 and 3.2 inspection documents, whereby for 3.2 a third party designated by the manufacturer's customer or the manufacturer's customer itself is present during the separation and re-authentication of materials.
Periode of validity	This certificate was first issued on 10-07-2015. The manufacturer must strictly follow the procedure as agreed with TÜV and is subject to an inspection by TÜV with a frequency of at least 1x per year. The declaration is valid for the registered persons who have been verified to be familiar with and follow the procedure. Upgrading of materials falls outside the scope of this statement. It is the responsibility of the client to investigate which European Directives are applicable. The validity of the certificate can be requested via https://www.tuv.nl. Changes must be communicated by the manufacturer to the TÜV in writing as an obligation.
