

COMPANY PRESENTATION

ABOUT US

- ▶ Our company, which is based on the automotive, aerospace and machinery manufacturing industry, was established in 2016 in İstanbul.
- ▶ Our aim is to make the necessary equipment, fixtures and special machines for the mass production of the parts required by our customers. Our main goal is to meet all the needs of our customers with our wide production range.
- ▶ At the beginning, only two peoples was working. Now we are 7 peoples here. Our goal is to further grow ECS machine and make more people have jobs

OUR SERVICES

- **MACHINING CNC MASS PRODUCTION**
- **MACHINING CNC PROTOTYPE PART PRODUCTION**
- **ECS COMPACT HYDRAULIC CNC MACHINING FIXTURES**
- **SPECIAL CNC HYDRAULIC-PNEUMATIC MACHINING FIXTURES**
- **CONTROL GAUGES APPARATUS AND CONTROL FIXTURES**
- **MACHINE MANUFACTURING AND AUTOMATION SYSTEMS**

MACHINES

We have 4 machines:

- ▶ 1 cylindrical grinding machine
- ▶ 2 CNC lathe machine.
- ▶ 1 CNC Machine Center with 3axis Lightweight Machine Linear Guideway

QUALITY DEVICE AND EQUIPMENTS

TURNOVER AND INVESTMENTS

- Our turnover was last year 8.865.854 TL (385.000.-€)
- Our target for 2024 is to invest for a CMM

Mission & Vision

ECS Mission:

- To meet customer demands and expectations at the highest level in quality standards by continuously improving our product and service activities,- To create a strong bond between us and our customers through strong communication and to ensure the happiness and satisfaction of our customers,- To increase our competitiveness and profitability by becoming one of the most preferred leading industrial organizations by expanding our customer and supplier portfolio at home and abroad.- To ensure that our customers and suppliers achieve their goals and objectives with a win-win policy.

Vision of ECS:

- In order to increase the effectiveness and efficiency of our company in the national and international market, to be a reliable and respected industrial organisation in Turkey, which constantly develops its own methods in our own field of expertise and pioneers the sector.

Our quality policy as ECS Machine:
