in the market accumulate knowledge at your service.

THE TRUST OF 10/10
top players of the Iberian Peninsula vouch us as your strategic partner.

+40TS/SHIFT INSTALLED CAPACITY
on our Barcelona (Spain) plant.

R+I+i focus

POLYESTER PVC FREE FIRST-MOVERS

Lead the way on polyester PVC free technology in the market for 2/3 pieces and Easy Open Ends since 2012.

Full range BPA NI portfolio coverage.

E2E IN-HOUSE SYSTEM VALIDATION

Fully equipped with all tools necessary to simulate the filled can production process end to end - coater, printer, can and cap creation, sterilization and pack test simulator.

INTERNATIONAL REGULATORY COMPLIANCE

Our regulatory team partners with internationally recognized institutions that certify the quality of our solutions. EU, Mercosur and FDA compliant.

COSTUMER-CENTRIC

ACCOUNTABILITY BEYOND RESPONSIBILITY: We understand the coating is only a part of the chain, therefore we approach the challenges from the clients' perspective, looking for a 360° solution.

TECHNICAL ASSISTANCE: Our team is ready to assist you on-site and online whenever you need with whatever subject you feel we can support you with.

THE BEST VERSION OF YOUR SURFACES

- All Polyester Varnishes are BPA NI and PVC Free solutions;
- Lead the way on the elimination of harmful materials;
- Multipurpose varnishes as driver for your SKU simplification, inventory reduction and responsiveness;
- Focus on compatibility with complementary products of your application to assure chemical and physical performance.
