We provide personalized discounts tailored for each of our distributors to ensure maximum benefit and attractive collaboration terms.

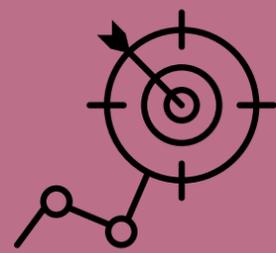

2. SWIFT DELIVERY

With over 5,000 items in stock in Poland, expect a 3-day delivery time to your country.

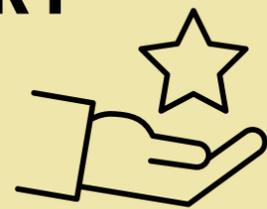

3. EXCLUSIVITY

We assure our distributors exclusive rights to sell our products in their designated region, offering competitive advantages in the market.

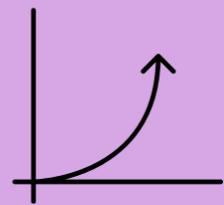

4. TECHNICAL SUPPORT

Access comprehensive technical support and consultation services for successful product integration

5. FREE CERTIFICATE

Every gauge you receive comes with a complimentary manufacturer's certificate, ensuring quality and compliance with standards.

6. NO MINIMUM ORDER

We strive to make collaboration convenient for you by shipping orders, even if they are limited to a single caliber, providing flexibility to meet your needs.

7. DIRECT SHIPMENT

We can send gauges directly to your customers without indicating the price, ensuring confidentiality and the opportunity to determine your own pricing policy.

8. 14-DAYS INVOICE

We facilitate order payments with a proforma invoice, and after several orders, we can provide a standard invoice with a payment term of 7-14 days for your convenience.
