

INTRO

- LB Profile BH is founded in Herbstein Germany in 1960. In 2017 production is transferred to Doboj, Bosnia and Herzegovina.
- We proudly present that we have over 60 highly skilled employees who contribute to our success every day. Our dedicated team is a key factor in the high quality products that we produce.
- We have ISO and SKG certificate, which confirms our commitment to quality and safety. Also, we proudly point out that we are one of the main suppliers of PVC profiles in Bosnia and Herzegovina.
- We are constantly expanding our presence on the international market as well.
