

About us

- Founded nearly **30 years ago**, **Greda Metal d.o.o.** is a Serbian manufacturer specialized in **metal stamping and sheet metal forming**.
- Our production facility covers **3,000 m²** and is equipped with **highly productive eccentric presses from 100 to 500 tons**, automatic coil feeding systems and progressive tooling, enabling efficient and reliable serial production.
- We manufacture metal components for customers from the **white goods, agricultural machinery and industrial equipment** sectors, with a strong focus on quality, flexibility and on-time delivery.
- Our integrated production processes and experienced team allow us to support customers from prototype manufacturing through to high-volume serial production.
- Greda Metal operates in accordance with **ISO 9001, ISO 14001 and ISO 45001** standards and is committed to continuous improvement and long-term partnerships.

About us

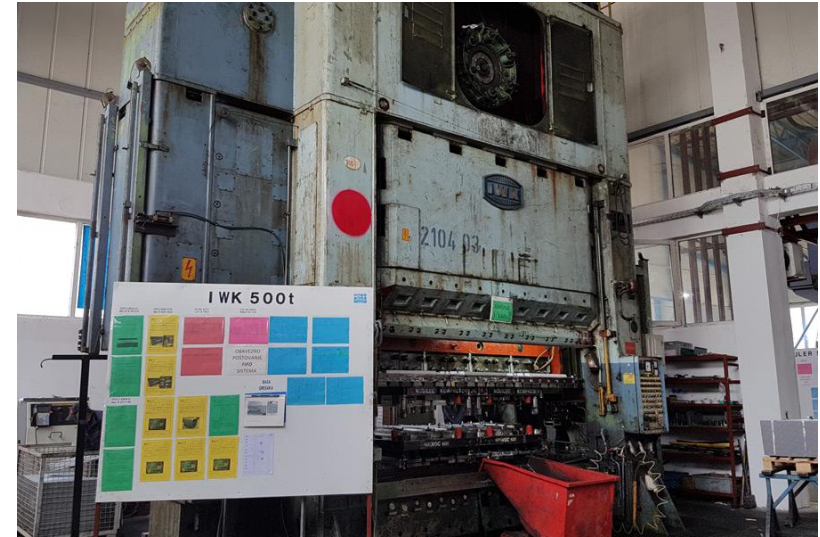

- Greda Metal was founded in 1997
- Greda Metal employs a total of **50 employees**, of which **38** are directly involved in production, while **12** are engaged in management and administrative tasks

Production capacity

IWK 500T

Press Name	IWK 500t
Press Capacity	500 t
Table Dimension	3500 × 1350mm
Tool Type / Operation Mode	Progressive Tools

SCHULER 500T

Press Name	SCHULER 500t
Press Capacity	500 t
Table Dimension	3500 × 1000mm
Sheet Metal Coil Line Width	600 mm
Tool Type / Operation Mode	Progressive Tools

Production capacity

STROJARNA PIESOK 315T

Press Name	STROJARNA PIESOK 315t
Press Capacity	315 t
Table Dimension	3600 × 500mm

WEINGARTEN 315T

Press Name	WEINGARTEN 315 315t
Press Capacity	315 t
Table Dimension	3000 × 120mm

Production capacity

JELSINGRAD 250T

Press Name	JELSINGRAD 250t
Press Capacity	250 t
Table Dimension	1700 × 800 mm
Sheet Metal Coil Line Width	400 mm
Tool Type / Operation Mode	Progressive Tools

SCHULER 250T

Press Name	Schuler 250t
Press Capacity	250 t
Table Dimension	3000 × 900 mm

Production capacity

KUZNECNO PRESSOVICH AUTOMATOV 160T

Press Name	Kuznecno pressovich automatov
Press Capacity	160 t
Table Dimension	2000 × 1250 mm
Sheet Metal Coil Line Width	500 mm
Tool Type / Operation Mode	Progressive Tools

ROVETTA 160t

Press Name	Rovetta 160t
Press Capacity	160 t
Table Dimension	1520 × 1000 mm

Production capacity

ERKEKOGLU 160T

Press Name	Erkekoglu 160t (tri prese)
Press Capacity	160 t
Table Dimension	1400 × 800 mm
Sheet Metal Coil Line Width	400 mm
Tool Type / Operation Mode	Progressive Tools

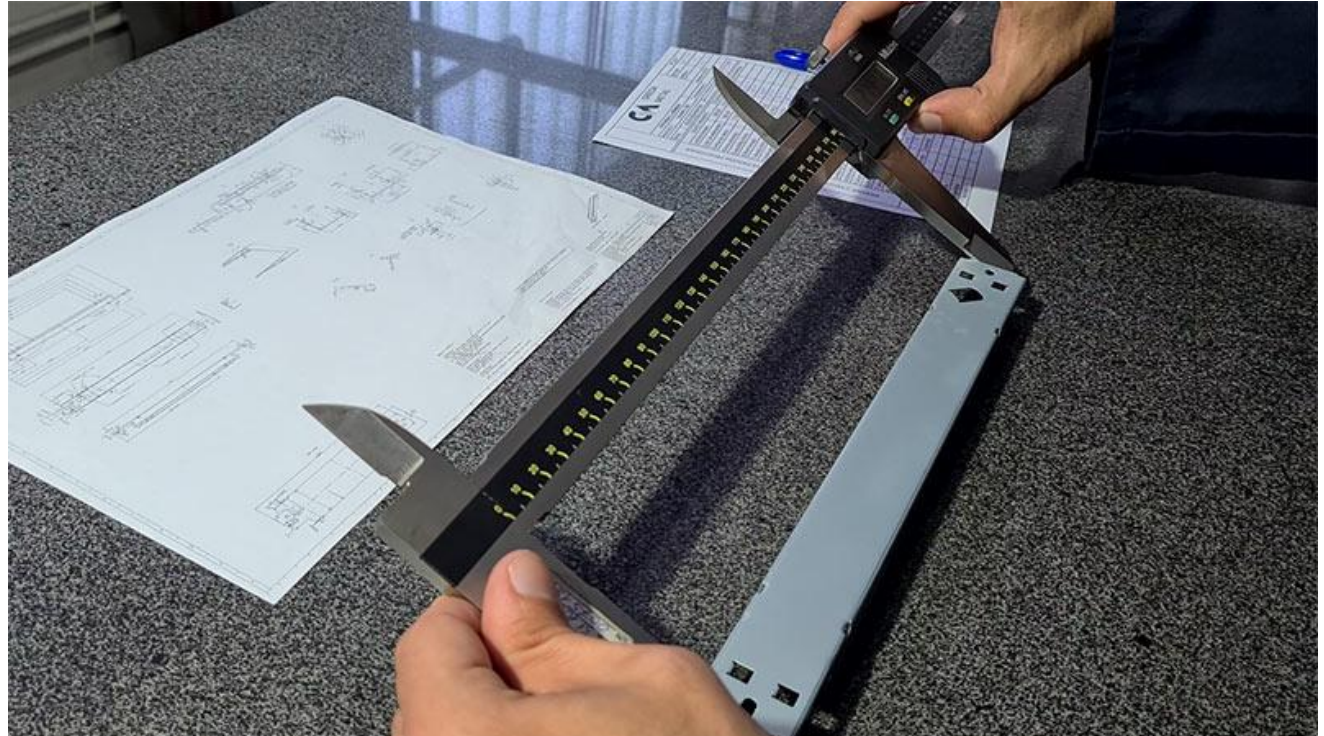

Products

Quality control

We place special emphasis on quality control at every stage of production. Our expert team performs detailed measurements and inspections of all products and stamped parts to ensure that each finished piece meets the highest standards of precision and reliability.

References

Our products are delivered to demanding markets across Europe. The largest client is the **Slovenian company GORENJE**, while a significant share of exports goes to companies in **Germany, Austria, Hungary**, and other countries in the region. The company's **annual revenue amounts to €6,000,000.**
