

MACHINE PARK OVERVIEW

All machines are equipped with additional automation systems and robots for automatic loading and unloading. This allows highly efficient and unmanned production for medium and high-volume series.

Qty	Machine Type	Machine Category / Capacity
12	Muratec MW 120	Turning machine
11	Behringer	Automatic cutting machine
9	Muratec MW 200	Turning machine
7	Makino A51NX	Milling machine
4	Muratec MW 180	Turning machine
4	Kitamura HX300	CNC machine
3	Kitamura 3XiF	CNC machine
3	Muratec MW 400	Turning machine
3	Makino A61NX	Milling machine
2	Doosan Lynx 2100L	Turning machine
2	Doosan LYNX2100LB	Turning machine
2	Doosan Lynx 300	Turning machine
1	Makino A55-A40	Milling machine
1	Kitamura HX400	CNC machine
1	Emco Turn 420 MC	CNC machine
1	DMG MORI DMX 50U	Milling machine
1	Muratec MW180	Turning machine
1	Emco Turn 465	CNC machine
1	Doosan Lynx-220	Turning machine
1	Amada 400	Automatic cutting machine
	TOTAL	70 MACHINES
