OUR ORGANIZATION

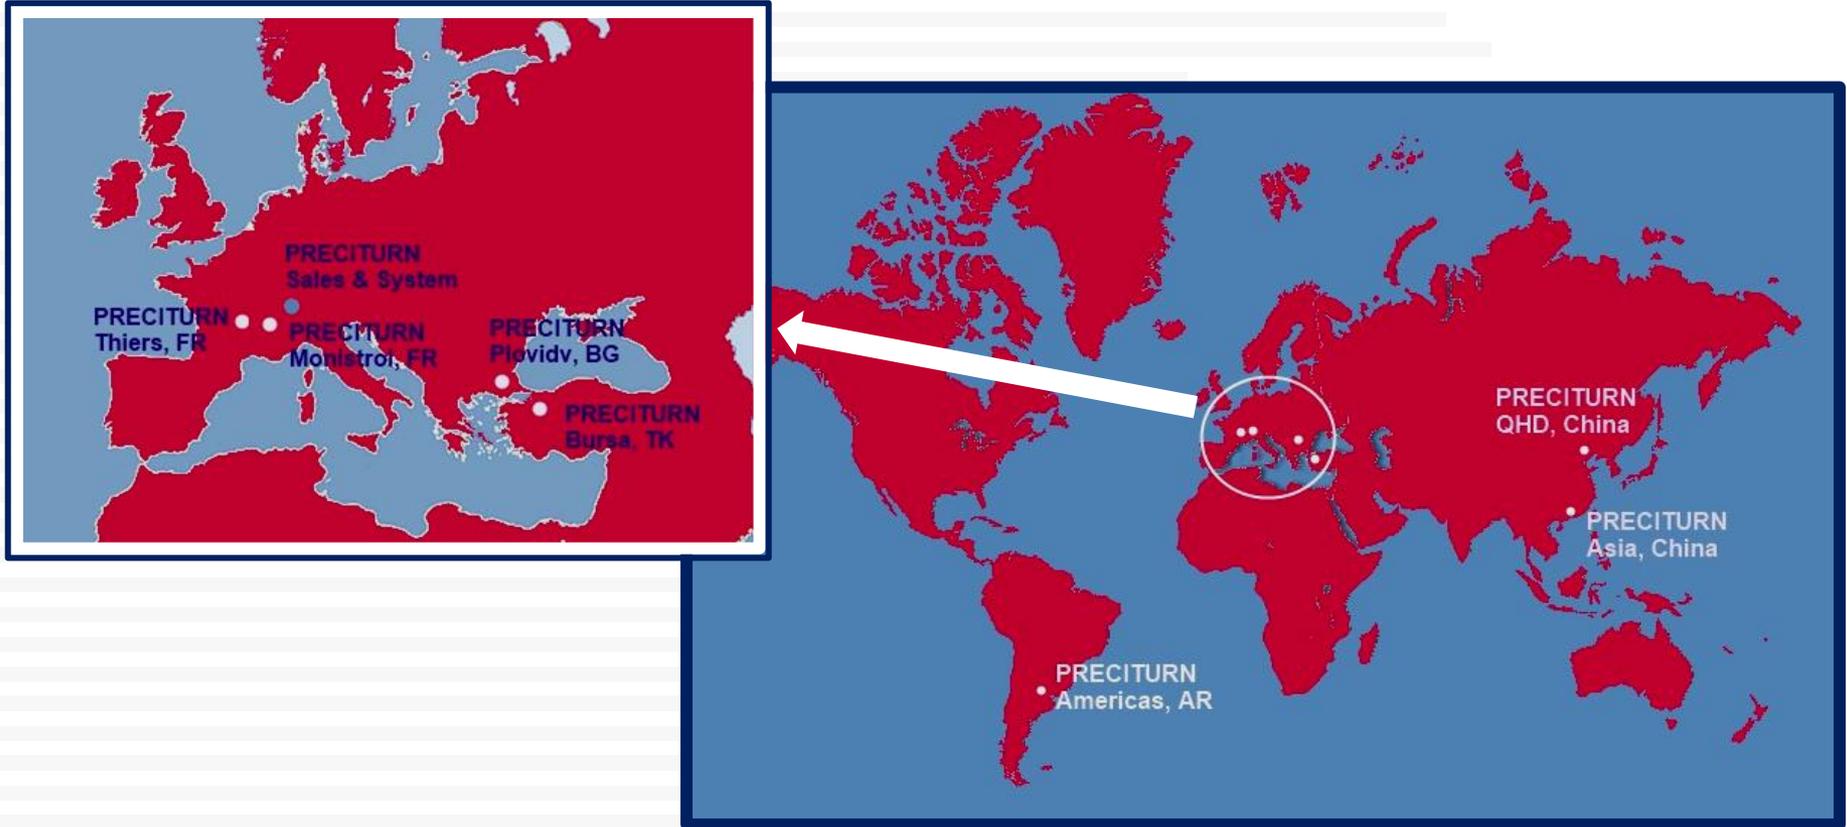

Strong **support** for the management and the development of each subsidiary, the holding PRECITURN Sales and System ensure the functions of :

- Financial & Audit Management
- Commercial Management
- Purchasing Management
- IT Management

The plants PRECITURN are responsible for their own **Logistics**, **Production**, **Quality**, **Human Resources** or **Technics** service under the management of the plant manager, who is directly connected to the President of the Group.

OUR LOCATIONS

Rather than an outsourcing strategy, Preciturn Group favors local development for each subsidiary company and expands its European presence to meet both local and international needs.

PRECITURN THIERS - FRANCE

- Located near Clermont-Ferrand, France
- Workforce : **140** persons
- Turn over : **10 M€** per year
- Know-how : **Precision bar turning with cam and CNC machines**
- Activity : Manufacturing of **precision mechanical parts** with high added value, from medium to high volumes
- Market : **Automotive**
- Accredited by TÜV : **ISO 9001, ISO TS 16949** and **ISO 14001:2004**

Building : 20 000 m²

PRECITURN THIERS - FRANCE

■ Machinery

▣ **Multispindles Workshop – with SPC control**

100 automatic cams multispindles lathes – 6 and 8 spindles – from diameter 5 to 120 mm

Brands : Tornos, Wickman, Gildemeister, Schütte etc...

▣ **CNC Workshop**

3 Tornos Multideco – 17 axis – until diameter 26 mm

19 CNC lathes with 1 or 2 spindles – until diameter 100 mm

Brands : Index, Manurhin, Biglia etc...

▣ **Secondary operations and Control Workshop**

6 transfer machines – from 6 to 10 stations

15 grinding machines

9 rolling machines

18 specific sorting machines

2 assembling presses

2 EUBAMA – bars transfer

■ In-house tooling Workshop

Grinding machines, Electro-erosion machines, Tool sharpening CNC machine..

PRECITURN MONISTROL - FRANCE

- Located near Saint Etienne, France
- Workforce : **70** persons
- Turn over : **9 M€** per year
- Activity : **Cold forging** – Manufacturing of a large range of **screws** in steel, mainly for **Automotive** Industry
- Main customers : **PSA and RENAULT**
- Accredited by AFAQ : **ISO 9001:2008** and **ISO/TS 16949:2002**

Building of 10 000 m²

Workshop

Furnace

PRECITURN MONISTROL - FRANCE

■ Machinery

▫ Cold forging Workshop

8 presses with 4 dies – BOLT-MAKER process

Brands : NATIONAL, SACMA, NEDSCHROEF

▫ Heat Treatment Workshop

1 furnace of heat treatment AUBE for oiled tempering and hardening under controlled atmosphere

Capacity : 750 kgs per hour

Brand : AUBE

▫ Sorting and Packaging Workshop

6 Automatic machines for 100% sorting (mechanical and camera control)

Brands : CHAMPS et PACE

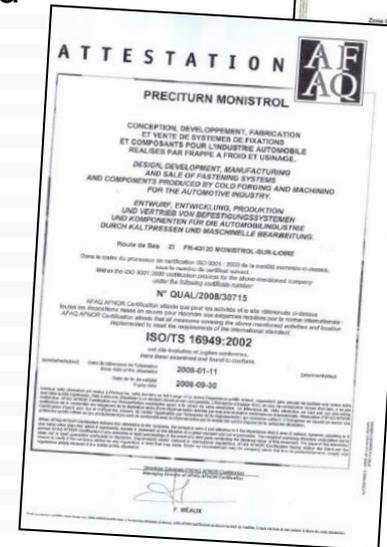

■ Equipment of control

Rockwell hardness testing machine : diamond cone 120°

Vickers hardness testing machine : diamond pyramid 136°

Tensile and Compression test machine U40FM

2 deflecting beam torque wrenches : fixed or adjustable torque

PRECITURN BURSA - TURKEY

- Facility created by PRECITURN in 2006, in Bursa, at 150 kms from Istanbul
- Workforce : **12** persons
- Turn over : **800 k€** per year
- Activity : **Precision bar turning**
- Range of products :
 - Any type of material (steel, brass, stainless steel)
 - From small to high volume
 - From diameter 3 to 32 mm
- Machinery
 - 20 automatic mono-spindle lathes
Brands : BECHET, INDEX, TORNOS etc...
- Accredited by Bureau Veritas :
ISO 9001:2000

PRECITURN PLOVDIV - BULGARIA

- Located in Plovdiv, 150 kms from Sofia
- Workforce : **7** persons
- Turn over : **300 k€** per year
- Activity : **Precision bar turning**
- Range of products :
 - Any type of material (steel, brass, stainless steel)
 - From small to high volume
 - From diameter 3 to 60 mm
- Machinery :
 - 20 automatic mono-spindle lathes
Brands : BECHLER, MANURHIN, TORNOS etc...
 - *Project to implant multispindles machines before end of 2010*
- Accredited by AFAQ : ISO 9001:2008

PRECITURN QHD - CHINA

- Facility created by PRECITURN in 2009, in QinHuang Dao, at 280 kms from Beijing
- Figures : *non available – starting-up*
- Activity : **Precision bar turning**
- Capacity :
 - Any type of material (steel, brass, stainless steel)
 - From small to high volume
 - From diameter 3 to 32 mm
- Machinery :
 - 20 automatic mono-spindle lathes
Brands : BECHET, INDEX, TORNOS etc...
- Accreditation ISO 9001:2008 in progress

OUR COMMITMENTS

- **Reactivity** and **flexibility**
- Relationships based on **dialog and discussions** with the objective to create a strong **partnership** with our clients
- Technical and sales **implication** from the beginning of the **project** : strength of advices, modifications and improvement to reach the best level of **productivity**
- **Capitalization** of the know-how of each subsidiary and country acquired thanks long-term **training** and **investment**

OUR STRATEGY

Being a **reliable** industrial partner close to its customer, able to offer a global service :

- ***Strong know-how in manufacturing***
- ***Productivity and competitiveness***

- ***International development to provide our clients locally***

Projects of acquisition in progress in USA, Argentina, India, Pakistan etc...
