Pasłek, dd 19.06.2007

THE COOPERATION OFFER

We are pleased to offer you cooperation between our Companies. We are offering the wide range of specialist services in the scope:

1. Designing and manufacturing of heavy details such as:
 - Moulding boxes,
 - semitrailers,
 - light and heavy welded structures made from black as well as stainless steel,
 - Pressure vessels and non-pressure vessels made from black as well as stainless steel.
2. Assembly, renovations and modernizations of machines and industrial devices,
3. Manufacturing of spare parts for any machines and devices,
4. Locksmith's and welding works (MIG, MAG, TIG, the Electrode),
5. Gaseous burning of metal sheets,
6. Performance of technological installations,
7. A wide range of machining,
8. All other services subject to the customer's needs.

Our services are made by experienced workers under permanent technical supervision.

Professionalism of our Company is well-known to numerous Clients, for which we made services.

Our offer means a comprehensive realization of the Client's order; starting with a design, through material specification, supplies of part and materials, to complex performance of the order.

The numerous competition, understanding of limited resources of our Clients make that we offer competitive prices of services rendered by us. The structure of the Company enables high flexibility in the scope of orders realization.

Yours faithfully,
THE DEPUTY CHAIRMAN OF
THE BOARD OF DIRECTORS

Rafał Zięba
